## BEANO QUESTION

Shall the provisions of Chapter 171-A of the Revised Laws relative to playing games of Beano be adopted in this town?

Yes 334

No 262

ARTICLE II. Maurice Kierstead moved and it was so voted to postpone this article.

ARTICLE III. James Leavitt moved and it was so voted to pass this article as read.

Moderator Mulherrin made a motion and it was seconded to go back to Article I and elect the Officers from the floor at this time.

### Officers elected from the floor

#### *Overseers of the Poor*

James F. Leavitt moved and it was so voted that the Selectmen continue as Overseers of the Poor for the ensuing year.

#### *Fence Viewer*

Shaun Berry moved and it was so voted to have the Building Inspector continue as Fence Viewer.

#### *Surveyors of Wood and Lumber*

William Fowler moved and it was so voted that C. William Carter and D. Morris Lamprey continue as Surveyors of Wood and Lumber.

#### *Public Weigher*

William Fowler moved and it was so voted that D. Morris Lamprey continue as Public Weigher for the ensuing year.

ARTICLE IV. William Fowler made a motion to amend this Article to read: "To see if the Town will vote to authorize and empower the Board of Selectment or a majority of them to sell and convey the real property acquired by the Town by tax sales to be sold at public auction . . . to the highest bidder." It was seconded and was a vote.

ARTICLE V. Kenneth Grant made a motion to accept the article as read.

Wilbur Perkins made a motion to have the article ex-

plained before it was accepted. It was pointed out to Mr. Perkins that the article had already been accepted and made a vote.

ARTICLE VI. Shaun Berry made a motion to pass the article as read. It was seconded and made a vote.

ARTICLE VII. Peter Brooks made a motion to accept the article as read. It was seconded and made a vote.

ARTICLE VIII. Mrs. McCabe explained this article and spoke in favor of it. Maurice Kierstead spoke on the matter also and explained that the article was covered by statute and that the State statute supercedes the local statute. William P. Fowler spoke briefly on this matter. Maurice Kierstead moved and it was made a vote to accept the article as read.

ARTICLE IX. Maurice Kierstead made a motion to accept the article as read. It was seconded and made a vote.

ARTICLE X. Shaun Berry made a motion to pass the article as read. Byron Kirby seconded it with the word change the office of Town Auditor to read "abolish" the office of Town Auditor. It was a vote.

ARTICLE XI. On the official ballot.

ARTICLE XII. Mrs. John Osborn asked to have Mill Road made a scenic road and stated that you cannot straighten the road, take down a stone wall without a public hearing, notice of which is published 2 times in the local paper. This would not permit the State to make repairs either. This will protect our Town to keep its roads and she hoped that everyone felt the same as she did.

A discussion followed and Mr. Kierstead explained that

Class I and II highways were State roads that do not come under this statute.

Mr. Robert E. Grant made a motion to postpone this article indefinitely. It was seconded and not acted upon. Rudi Smith asked if there could be a discussion on the matter. Louise Marston inquired if this restricted property owners from moving stone walls. Lorna Scheyer asked Mr. Grant why this motion should be tabled and he explained that he didn't like to be told how to conduct his affairs on his own real estate, and that he didn't understand why an individual's freedom should be taken away.

Walter Tingle explained that all this law does was insert one step in the Highway Department. If the Highway Department wanted to straighten roads they could do it without consulting the Town. When you elect to make a Town have scenic roads, they have to check first with the Town. This is the extent of this article and it has nothing to do with a person's right to alter his property. Mrs. Marston asked that the state could not take over the road if you voted to make the roads a scenic road. Mr. Tingle explained that this was correct. Mrs. Marston stated she did not understand this because the power of eminent domain would seem to overrule this. Peter S. Simmons stated that perhaps Mr. William Mannix could explain this, but he did not.

Mr. Moderator asked that a show of hands at this time be counted. Mr. Elliot and Mr. Simmons counted hands. The motion was defeated 160 to 34.

Mr. Fowler made a motion to amend the main article because people were afraid it would restrict their rights. He suggested that it be amended to read, "provided that this will in no way restrict the individual rights of abutting property owners in respect to the control of trees or walls or other matters on land over which the highway runs."

Mr. Kirby stated that the whole purpose of the article was defeated by the amendment. Lynn Johnson stated that it might be worthwhile to read the applicable N.H. statutes applying to this matter.

Mr. Moderator read the statute N.H. R.S.A. 253:17. Mr. Fowler wished to further discuss the matter and stated that according to this no repairs could be made and the owners could not make changes. Mr. Fowler requested that this amendment be withdrawn. Mr. Kierstead moved that the article be accepted as read. It was seconded and made a vote.

ARTICLE XIII. Article XIII has been withdrawn by Mrs. Osborn.

ARTICLE II. Mr. Frederick Scheyer of the Budget Committee read the budget. He stated that the budget would be read in whole and asked that the Moderator accept all articles not held. The only item to be held was Health.

*Health:* Mr. Sumner Claverie explained that this ambulance service was supported solely by volunteer services.

Mr. Kierstead made a motion that this budget be accepted as read. It was a conservative budget and stated that the Budget Committee did a good job narrowing this down. It was a good solid budget. Mr. Fowler stated that some articles had already been appropriated, and that we're appropriating all items not included in the warrant. Mr. Fowler made a motion to accept the budget as read by the Chairman of the Budget Committee. It was seconded and made a vote.

ARTICLE XIV. Mr. Moderator made a motion to adjourn the meeting.

Mr. John Osborn asked about the source of revenue. Mrs. Luther stated that we don't know exactly how much we shall receive. But by the time we get the tax rate we do know just how much we are going to receive. And this was just an estimate of how much we expect to receive and the figures were a total of how much we received the previous year.

Shaun Berry made a motion that the meeting adjourn. It was seconded. The meeting was dissolved at 9:00 P.M. The Polls closed at 9:15 P.M.

Respectfully submitted,

MARYANN E. SIMMONS,

Town Clerk

## SELECTMEN'S REPORT

To the Citizens of North Hampton, N.H.:

This year has been one of continued activity and accomplishment in the Town of North Hampton. All town officials, employees, boards and committees have been functioning with full schedules. Qualities of leadership, dedication and devotion to duty, as close observation will show, are not operating to a higher degree in any other area of the state than right here in our town.

Our material needs have been more than adequately met throughout the year, assisted by the judicious use of our portion of Federal Revenue Sharing funds wisely disbursed by vote of the Town Meeting, without any appreciable rise in the tax rate.

Physical plants and equipment have increased notably with the dedication of our new library on September 25, 1973, the acquisition of a new fire truck pumper, and the recent completion of new town offices in the adequate space provided, as voted by the town, in the old Library building. The Police Department has settled into more spacious quarters in the old town offices.

Several gifts of money and furnishings for the new library were gratefully received from interested residents, Friends of the Library and the Fuller Foundation.

The Conservation Commission has been busy, in addition to other programs, in the continuing search for open land to be used for preservational purposes. Any resident with undeveloped land he would like considered for conservation in perpetuity, should contact the commission.

A special vote of thanks is due our hard working Plan-

ing Board and its competent Chairman, Mr. Wayne Hon-del. Through their efforts, stringent changes in our Zoning Ordinance were voted and due to constant vigilance on the part of the Board and our Building Inspector, Mr. Homer Stoddard, necessary adherence has been enforced, to conform with the wishes of the Town.

Ever watchful for the vested interests of the Town, our Board of Adjustment, guided by able Chairman, Mr. Forest B. Griffin, has met whenever necessary to decide on requested deviations from our zoning mandate.

In the legislative field, our delegates to the General Court, Mr. Eliot Stevens, Mr. Peter Simmons (recently resigned) and Mr. Douglas Scammon (Stratham), have been constantly alert for any new legislation, which would affect town government; and have kept the Selectmen informed for action when necessary.

As Chairman this year, I would like to express extreme gratitude to my two colleagues, Mr. Maurice E. Kierstead and Mr. Shaun Berry, for their complete support, cooperation, hard work and trusted leadership. Our Administrative Assistant, Mrs. Barbara Luther, continues to perform yeoman service; without her thorough dedication to duty, the Selectmen's jobs would be much more difficult.

In closing, if I may be permitted a personal interjection, those of us, in this chaotic world of today, who are residents of this great State of New Hampshire are indeed fortunate, and we who are living in the Town of North Hampton are most fortunate of all! May this position ever be maintained!

Respectfully submitted  
Byron L. Kirby, Chairman

## **DATES AND FACTS TO REMEMBER**

The Town Offices are now located in the former Library building which is between the Fire Station and the New Library. We feel that the town can be proud of the new quarters, which they approved at the 1973 Town Meeting.

The Selectmen meet every other Monday evening and the offices are open at the hours posted.

Property inventories will be distributed on or before March 25, 1974. If you do not receive one, they will be available at the Town Office. It is important that these forms be returned to the Town Office before April, 15th, 1974. By State Statute, a property inventory must be filed if an appeal is to be heard, if you are requesting a Veteran's Exemption and if you are requesting an exemption for over 70.

Persons requesting Veteran's Exemption must file both the inventory and the Permanent form. The Permanent form is kept on file, but you must file the yearly inventory form.

Over 70 forms must be filed each year, in addition to the inventory form.

We are here to assist you and answer any questions pertaining to inventories, exemptions and other town records on file.

Election of Officers — 1974

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham, and the State of New Hampshire, qualified to vote on District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL AUDITORIUM ON ATLANTIC AVENUE, IN SAID NORTH HAMPTON ON TUESDAY, THE FIFTH DAY OF MARCH, 1974, AT 1:00 O'CLOCK IN THE AFTER-NOON, TO VOTE FOR DISTRICT OFFICERS:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a member of the School Board for the ensuing three years.

POLLS WILL NOT CLOSE BEFORE 7:30 P.M.

The foregoing procedure calling for election of your District Officers at the annual Town Meeting is authorized by statute (RSA 197:1-a) and was adopted by the District at its 1970 Annual Meeting.

Given under our hands and seals at said North Hampton this 11th day of February, 1974.

**NORTH HAMPTON  
SCHOOL DISTRICT WARRANT  
THE STATE OF NEW HAMPSHIRE**

1974

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham, and the State of New Hampshire, qualified to vote on District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL AUDITORIUM ON ATLANTIC AVENUE, IN SAID NORTH HAMPTON ON FRIDAY, THE FIRST DAY OF MARCH, 1974 AT 7:30 P.M. IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

NOTICE: School District Officers are to be elected at Town Meeting (North Hampton Elementary School Auditorium, March 5, 1974, polls open at 1:00 p.m. and will not close before 7:30 p.m.) in accordance with the Statutory Election Procedure adopted by the District at its March, 1970 Annual Meeting.

1. To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen.

2. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

3. To see if the District will vote pursuant to RSA 31:105 to provide indemnification for District Employees, School Administrators, School Board Members, District Officers or Agents from personal loss or expense including reasonable

legal fees and costs, if any, arising out of any claims, demand suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to property providing the indemnified person was at the time of the accident acting within the scope of his employment or office.

4. To see if the District will vote to increase the membership of the School Board from three to five members, and if so voted, to elect the two additional members at the School Districts' Annual Meeting in 1975, the terms of the two new members to be one for three years and one for one year, thereby maintaining an uneven number of members. RSA 197:6 and 197:15 as amended.

NOTE: RSA 197:6 was amended to allow inclusion of an article upon petition of ten or more voters. RSA 197:15 was amended so that any District may have a School Board consisting of three, five, seven, or nine members.

5. To transact any further business that may legally come before said meeting.

Given under our hands and seals at said North Hampton this 11th day of February, 1974.

## Report of 1973

January 23, 1974

We would like to suggest that you keep a record of serial numbers or put some kind of identifying mark on your valuable property. This will enable law enforcement agencies to return stolen goods which are recovered to their rightful owners.

If you see any suspicious cars in the area, we would appreciate it if you would take down the registration number and report it to our Department. Thank you for your cooperation.

Respectfully submitted,

# NORTH HAMPTON FIRE DEPARTMENT

## Report of 1973

The Fire Department responded to 78 Emergency Calls for various causes throughout the year. Fire loss for the year was \$1,250.00. There were no major losses in 1973. Break-downs of calls as follows:

15 Structure Fires	13 Mutual Aid
4 Car Fires	8 Automobile Accidents
10 Woods and Brush Fires	5 False Alarms
3 Chimney Fires	18 Miscellaneous Calls
3 Lightning Strikes	2 In Station First Aid

A large number of service calls were received throughout the year, such as complaints of burning, broken water pipes, lockouts and inspections.

The new 1,250 GPM pumper was delivered on March 15, 1973 and placed in service April 1, 1973 and has proved to be very satisfactory. However there is a lot of small equipment still needed to completely equip the unit.

There have been two drills per month throughout the year with a good attendance.

In October, for Fire Prevention Week, Lt. Goodwin, with the cooperation of the principal and teachers, an assembly was held at the school where two films were shown and prizes were awarded to winners of an essay and poster contest.

In October a group of Chiefs in the area got together and formed the Seacoast Chief Fire Officers Association. The goal of this Association is to better the fire protection in the Seacoast. The first venture of this Association was to pur-

chase an Air Cascade System to refill air tanks for smoke masks. This is a piece of equipment needed by all departments but too expensive for one department to purchase by itself.

The cooperation and help of the Firemen's Auxiliary is very much appreciated.

I would like at this time to thank all the residents of North Hampton for their support. The Fire Station is always open and anyone wanting to stop in and observe the equipment and its needs are welcome to do so.

Respectfully submitted,

WILBUR D. PERKINS,

Fire Chief

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool, but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

## REPORT OF THE LIBRARY TRUSTEES

The past year has been a busy one for the library trustees and staff. Trustees attended all meetings of the building committee and conferred many times on the selection and arrangement of furnishings. They also worked with the Bush and Bud Garden Club planning a landscaping which will be started in the spring of 1974.

The second week in September was the occasion of moving into the new building. The staff, the trustees, the janitor and their families and some friends; Friends, many school children and other volunteers worked many hours. It was not possible to use all the children who wished to help. Mr. George Craig was especially helpful in removing shelves from the old to the new building.

On September sixteen, a well-attended Open House was held for the townspeople, the librarians and library trustees of the Southeast Library District, and representatives from the State Library.

Mr. Emil W. Allen, Jr., State Librarian, gave the address September twenty-five at the Dedication of the Fuller Room. Members of the Fuller family were present to view the unveiling of the plaque honoring the late Alvan T. Fuller, Founder of the Fuller Foundation. Mr. Peter Fuller spoke for the family.

Friends provided refreshments at both events.

Memorial gifts for the new library, in addition to the gift of \$25,000. from the Fuller Foundation, included a Geochron from Mary Moore Wilkinson in memory of her mother, Katherine Lynch Moore, and the kitchenette appliance unit from Paul W. Hobbs in memory of his father, Joseph O. Hobbs, who was a member of the building committee for the original library in 1907. The Friends of the Library have ordered display cabinets for the New Hampshire Room in honor of Mrs. Theodore B. Griffith, who in-

augurated the Friends' first annual membership drive. Her daughter, Mrs. Helen Regan, has given the library a Staffordshire tea set.

Other gifts were an antique library table for the New Hampshire Room from Mrs. David Boies, a bench from Mrs. Donald Palmer, two tables and a desk and chair for the work room from Forest Griffin, picture-molding for hanging paintings in the meeting-room from Mrs. Forest Griffin and a world globe from the J. C. Wives of the Hamptons.

The Friends of the Library continued their monthly work-meetings. In April, in observance of National Library Week, they held their second annual Hobby and Handicraft Day. The seventh annual Country Auction and Strawberry Festival took place in June with Mr. Charles Peck as auctioneer. During that day Mr. Peck managed the Tail-Gate Antique Sale while the Friends ran a snack-bar.

The membership drive was the most successful ever conducted by the Friends as townspeople could observe the near-completion of the library and the need for furnishings and equipment.

The Friends contributed \$6500. towards the cost of the building. In addition, they gave or have on order approximately \$3000. in furnishings which include the charge desk, four easy chairs, a record bin, a bicycle rack, folding chairs for the meeting-room, a podium, table for movie projector and draperies for all windows, those in the meeting-room being an original design by Barbara Stenquist.

The Friends provided the library with an artificial Christmas tree and made the decorations. Mrs. Anthony Parkinson made and donated a handsome cone wreath.

A Committee on Fine Arts headed by Ruth Griffin, library trustee, and Barbara Stenquist will arrange art exhibits at the library each month. Paintings by Charles M. Rice were

shown in January. Whenever possible there will be a special pre-view on the first day of the showing with a coffee hour sponsored by the trustees, Friends or other volunteers.

In order to conserve energy, the library will be closed Thursday evenings during the winter months. Groups wishing to use the meeting room have been asked to do so during regular library hours.

The Historical Society, the Woman's Club, the local Home Economics Extension Group and the Bush and Bud Garden Club have used the Meeting Room. The Friends give monthly game parties to which the public is invited.

The Trustees note with pleasure an increasing number of newly registered patrons. It is encouraging to see the interest displayed by townspeople as they first visit the library. It is hoped that everyone feels free to join the activities of the Friends or to suggest new projects or programs as there is still much to be accomplished.

## LIBRARIAN'S REPORT

To the Trustees of the North Hampton Public Library:

The following is a report of the library from January 1, 1973 to December 31, 1973:

Number of new books added		609
Adult fiction	201	
Adult non-fiction	205	
Books ( children )	203	
Books given to the library		55
Book circulation	28,732	
Magazine circulation	2,960	
Record circulation	485	
	<hr/>	
Total circulation	32,177	

We are fortunate to have received gifts of books, magazines, and records for our library this past year, enabling us to provide more subjects of interest to our patrons.

The Southeast District Advisory Council Meetings, Book Selection Meetings, Workshops, and Committee Meetings were attended by the librarians, and Jane DeCourcy attended the spring extension course in Public Library Techniques at U N H.

I am sorry to say that the Book Selection Meetings which we found very helpful, sponsored by the State Library, have been discontinued, due to lack of funds, but we do still have the State Bookmobile visits, which are a valuable aid to our collection.

Our summer reading programs for the boys and girls were held as usual.

Now that we are settled in our new library, the children, as well as adults, are enjoying the larger quarters.

Our library was very lucky this past year in receiving the assistance of two volunteers, Elinor Griffin and Jennifer Weston.

The book, Grandma Moses, by Otto Kallir, was presented by the Beta Sigma Phi Rho Chapter as a special gift to our new library.

We are also very fortunate to have a Book Copier in the library, which is available for use to all our patrons.

## 1973 REPORT OF THE BUILDING INSPECTOR

In 1973 the home building activity within the Town of North Hampton has decreased. It is believed that the new Zoning Ordinance (Amended March 6, 1973) and the economics of the past year have played a considerable part in this diminished activity.

During 1972 the total value of building permits issued was \$1,417,749 and included 32 new homes. In 1973 the total value of building permits issued was \$1,810,863, but this amount includes the Hampton Court Shopping Center (Phase I) for \$1,034,000 and only 9 new homes.

The Building Inspector continues to be available to assist the residents of the Town of North Hampton in their compliance with the approved codes.

Respectfully submitted,

HOMER B. STODDARD,

Building Inspector

# REPORT OF THE NORTH HAMPTON CONSERVATION COMMISSION FOR 1973

The Conservation Commission met monthly throughout 1973. Two of these meetings were attended by a representative of state organizations concerned with preservation of natural resources and planning for future growth in the sea-coast area.

The Commission completed two projects undertaken in 1972. The roadside clean-up day scheduled for April 7th was well attended by school children and adults, and the bulk of winter's trash accumulation was removed. Another litter pick-up day will be held in the spring of 1974.

The tree nursery established on Dearborn Rd. in 1972 was put into use by members of the Commission in late spring 1973. Many seedlings acquired from the state were planted to be used throughout the town in the future.

Of interest to the entire community and to the seacoast area was the successful completion of plans by the Commission to institute a regular recycling program. Beginning in October, the Commission supervised a collection depot for paper and metal on the 2nd Saturday of each month in the parking lot behind the Lafayette Rd. shopping center. These recycling days will continue throughout the year and will provide a small additional revenue for the Commission. Several townspeople and students have helped with the recycling effort, and the Commission hopes more people will be willing to lend a hand at the depot occasionally.

Several instances of illegal dumping and landfill were brought to the attention of the Commission during the year. These were investigated in conjunction with the state. One

case of dumping was halted, and a case of wetland filling was arrested at least temporarily.

The Conservation Commission has made every effort to work closely with other town agencies and officials. In accordance with Conservation Commission enabling legislation, a 1973 vacancy on the Commission has been filled by a member of the North Hampton Planning Board.

Also in accordance with enabling legislation, the Commission has worked during the year toward its goal of the protection of natural resources in the town. Faced with an accelerating growth rate in the area, the Commission has been anxious to acquire parcels of land throughout the town to be kept in a natural state for future generations to enjoy. Toward this end, the Commission has again requested an appropriation from the town in order to purchase such land as it becomes available.

The Commission has also been hopeful that interested citizens would donate land to the town to be preserved and maintained by the Commission. These parcels of land can be kept in their natural state for the protection of wildlife and watersheds or supervised by the Commission as recreational areas for townspeople.

The Commission is pleased to report that in January 1974, 12 acres of woodland became available to the town through the generous gift of Mrs. Katharine Meyer in memory of her husband, Cord Meyer. In accordance with N.H. R.S.A., chapter 36-A, the Commission will accept this property and maintain it for the town as a natural woodland area. The Commission hopes that other citizens of North Hampton will follow this example of entrusting land to the town to insure open space for the future.

Finally, the Commission wishes to thank both youngsters

and adults in North Hampton who have helped with various projects throughout the year.

Respectfully submitted,

Mr. Richard Knowles, Chairman

Mrs. Henry Bedford, Secretary

Mrs. L. E. Mulcahy, Treasurer

## 1973 REPORT OF THE NORTH HAMPTON RECREATION COMMISSION

In 1973 the recreation program ran from June 23 through August 15, and included more than 200 youngsters. Eileen Sharp organized and directed the program, assisted by Ray Clements, Kim Johnson, Lynn Matucci, John McIlveen, and a few dedicated volunteers.

Some of the activities included softball games with neighboring towns, a Field Day, Junior Olympics with the presentation of awards, a performance by a traveling puppet troupe, a gymnastics demonstration by a group of youngsters from NHAAG, and a visit from the Extension County Forester, Mr. Stanley Knowles, who took all interested youngsters for a walk along the nature trail in back of the school and led a discussion on conservation of natural resources.

We had weekly field trips to Pawtuckaway, as well as a visit to the New England Aquarium and a trip to a Boston Red Sox baseball game.

Next year we plan to concentrate on bringing a variety of programs to the recreation area instead of transporting large groups for long distances, for environmental as well as economical reasons.

The youngsters of North Hampton, as well as the Recreation Commission, appreciate the interest and financial support of the citizens of the town of North Hampton.

Respectfully submitted,

JOAN HOGLANDER,  
Chairman

## 1973 REPORT OF THE NORTH HAMPTON YOUTH ASSOCIATION

Although the abundant rain last Spring caused major problems with our baseball program, the overall year was a good one. There were over 400 individual registrants in the boys' activities of baseball, basketball, football ice hockey and soccer. About 70 girls registered in the softball program.

We feel that our goal of maximum participation by as many youngsters as possible was achieved. Our programs are directed toward the teaching of fundamentals and making the sports as much fun as possible for every child.

The replacement of wooden fencing at the Little League ballfield continued. Only one of the three sections remains to be installed with vinyl covered chain link fencing. Unfortunately, our use of this field was limited last Spring and early Summer due to the heavy rains and resulting high water table. This was the first year we have had this problem and hopefully the last.

While our normal sources of operating funds (town appropriation, registration fees, raffle and donation) fell short of our needs, the difference was met by a Tag Day. This will become a regular source in the future.

As in the past, all funds are used for equipment purchase and repair, limited ice rental and facility upkeep. The feelings of accomplishment and self satisfaction are the only compensation received by those helping to run the activities.

Programs like this can be successful only as long as enough people are willing to share their time and knowledge with our young people. Thanks for your help. More are always needed.

Respectfully submitted,

Homer Johnson, Jr.

President

# NORTH HAMPTON AMBULANCE CORPS

## North Hampton, N. H.

To the resident of the Town of North Hampton, the North Hampton ambulance respectfully submits its report of service for the year 1973:

Eighty-four requests for assistance were received and responded to. At least one Emergency Medical Technician or a person holding an Advanced American Red Cross First Aid Card was aboard on every call. Spelling each other in "time off" twenty-four hour service was, and is, available the year around.

Both the vehicle and attendants are registered by the State of New Hampshire, as required by law.

Residents of this town may obtain a contract with the ambulance for service for the sum of five dollars per year, covering all members of a family under one roof, twenty-four hours a day.

Patients were transported to Exeter, Portsmouth, Boston, Mass., Manchester, N.H., Maine Medical Center, Portland, Maine, and the Portsmouth Naval Hospital.

Due to the generosity of several residents by donation of money other than contract dues, we were able to purchase a Robinson stretcher, not required by law, but a very valuable piece of equipment nevertheless, to one and all of our kind friends, we say a sincere "thank you".

Our gratitude also to the North Hampton Fire and Police Department for all their assistance, supplying drivers, and "muscle and morale".

We wish for you a happy and healthful 1974.

Respectfully submitted,

Nancy L. Carter

## SEACOAST HOME HEALTH ASSOCIATION

The Seacoast Home Health Association serving the towns of North Hampton, Hampton, Hampton Falls and Seabrook is most commonly known as "The Visiting Nurse Association," but its scope has become far wider.

In fiscal 1972-1973, a total of 607 calls were made in North Hampton, of which 197 calls were made at no charge. It is the policy of the agency to scale fees or provide service on a no-charge basis to those patients unable to pay. In addition to Nursing Service the services of our Physical Therapist and Speech Therapist were utilized in North Hampton.

Thirty-one children from North Hampton are being followed at our Well Child Clinic. They receive physical exams, immunization, counseling, blood tests and development screening. This past year for the first time we were able to offer a Dental Clinic for those children in our Well Child Clinic which included cleaning and topical fluoride treatment. In the past year we sponsored an immunization clinic in the school with the help of the school nurse, and 203 children were immunized. A vision and hearing screening were also offered.

Visits are made monthly on those persons in your town who come under the State TB program to check on their medication supply, observe for adverse reactions and make appointments for follow-up chest x-rays.

We are also involved with the aftercare program in conjunction with the Seacoast Regional Counseling Center. Patients who have been discharged from New Hampshire Hospital are followed, appointments are made for them to be seen at the counseling center for medication reviews and additional assessment and much emotional support is given to both the patient and family.

On behalf of the Board of Directors, I wish to express our appreciation to the four towns involved, to the organizations and private citizens who have contributed to this worthwhile work, to the ladies who have given volunteer service at the Well Child Clinics. The Board is very proud of its staff who are dedicated and conscientious nurses and of its efficient part-time secretary.

Respectfully submitted,

Harold N. Eames, Jr.,

President

Seacoast Home Health Association

# THE STATE OF NEW HAMPSHIRE SCHOOL WARRANT

1973

## STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham and State of New Hampshire, quaalified to vote on District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL AUDITORIUM ON ATLANTIC AVENUE, IN SAID NORTH HAMPTON ON FRIDAY, THE SECOND DAY OF MARCH, 1973, AT 7:30 P.M. IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

NOTICE: School District Officers are to be elected at Town Meeting (North Hampton Elementary School Auditorium, March 6, 1973, polls open at 1:00 P.M. and will not close before 7:30 P.M.) in accordance with the Statutory Election Procedure adopted by the District at its March, 1970 Annual Meeting.

1. To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen.

Mr. Parkinson moved that the article be accepted in favor as written - seconded - hand vote - passed.

2. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

Mr. Parkinson of the School Board read the budget line by line. Mr. Eggleston also of the School Board, made the motion that the district accept the School Board's budget as written - seconded - hand vote - passed.

3. A report was given by the Building needs study committee which in fact analyzed trends, present and future programs, other structures available in North Hampton, present financial situation and the investigation and cooperation between other school districts. The Committee stated that with the present enrollment trends, a second elementary school should be considered by the District by the fall of 1976. This was based upon a 36 per cent increase in enrollment. The proposal would be a second school building housing grades 1-4 with the present building housing grades 5-8. It was recommended that Industrial Arts and Home Ec. be included in this building. Other recommendations were made as to library facilities, large gym, cafeteria, storage facilities and athletic fields. The small school atmosphere could be retained in a separate school facility.

A motion was made to adjourn - meeting adjourned 8:11 P.M.

## SUPERINTENDENT'S REPORT

To the School Board and Citizens of North Hampton:

I submit, herewith, my annual report for the North Hampton School District.

Happily the turmoil within the nation caused by actions or inactions of governmental figures and higher costs of almost everything has not penetrated to any extent what goes on in our schools. It is true that we are affected by higher costs but I look to the education institutions as a stability factor in our society at a time when it is of critical importance.

The Staff Development Committee working under a State mandate is making progress toward a Supervisory Union No. 21 plan of assessing program and staff and developing the machinery for an on-going process of evaluating and recommending. It is good to bear in mind that your School Board has the final say in all matters concerning the curriculum at the local level but parameters are set by the Legislature and State Board of Education.

As part of a program to further develop curriculum investigation and staff evaluation processes I have requested an Assistant Superintendent for Special Services.

We have 250 certificated and 100 non-certificated employees in the Supervisory Union affecting the education of 4,172 students. In an attempt to better service your children it is inevitable that changes in staff will be requested — whether it be adding or deleting positions or changing persons holding a position. None of this is done callously and all of it is done within the confines of the law.

The following are December 1973 enrollment figures for the six school districts that make up Supervisory Union #21.

## PRINCIPAL'S REPORT

Mr. Richard C. Hamilton  
Superintendent of Schools  
Hampton, N.H. 03842

Dear Mr. Hamilton:

My first report as the principal in North Hampton will be somewhat limited due to the short time that I have been here.

We are pleased with the parent turnout during our parent conferences in November. We hope that this interest will continue as the exchange of information concerning the boys and girls of our school is one of those things that can only end up on a positive note.

I was pleased upon meeting the present staff. There is a good balance among the teachers relative to the number of years that they have been teaching. More than this, I believe we are fortunate to have teachers whose primary commitment is to children rather than to monetary rewards. With this type of person in the school we can look forward to even more productive years ahead.

We are coordinating with the other districts in Supervisory Union No. 21 in assessing the several areas of the curriculum. This will lead to proposals for a program of updating and continuously evaluating what and how we are teaching.

As you are probably aware, one of the problems we face is a lack of adequate teaching spaces. All involved are watching enrollment trends and curriculum needs as we adjust to the confines of immovable walls and changing

North Hampton population patterns. We will attempt to keep you informed in this as well as all other aspect of our elementary education process.

The building itself is in good shape. The practice of painting some rooms each year should be continued. There are some rooms that should have the lighting changed and if we could do two or three rooms a year in four to six years we could convert to all fluorescent lighting. There are a few other projects such as hot topping and roofing that should be done soon. The custodial staff is to be commended for the daily appearance of the building and for the repairs that they make that often go unnoticed. All in all, things are in good shape and I am confident that we can look forward to continuing and expanding upon the quality of education in North Hampton.

I would like to take this opportunity to thank you and your staff, the staff in North Hampton, the North Hampton School Board and the community for the support given me in my brief time here.

Sincerely,

Thomas H. Burbank  
Principal
